

2025 Norma Bainbridge Memorial Scholarship

Attached is the application for the Norma Bainbridge Memorial Scholarship administered by the Decatur County Solid Waste District.

The Norma Bainbridge Memorial Scholarship is a fitting tribute to the late Norma Bainbridge. Norma worked endlessly and selflessly on behalf of Decatur County. Norma was an inspiration to so many during her life. She was a source of strength to her family and friends. Even at 80, she was still going strong both at work and at home. Her knowledge and wisdom, which was learned first-hand, was generously shared with the community. Norma had a wonderful sense of humor, seldom complained, never gave up doing what she felt was her duty, and was always caring and compassionate with everyone. Norma gave her all to our community, but most importantly to the formation of the Decatur County Solid Waste District. Recycling collection in our county was all made possible because of her hard work and determination.

Norma was an inspiration to everyone who knew her. On behalf of the Decatur County Solid Waste District, we have established the Norma Bainbridge Memorial Scholarship in her memory.
