Re: Town of St. Paul: Quarter 2, 2026 Progress Report  
NPDES Permit No. IN 0020842  
Agreed Order Case No. 2024-30106-W

Dear IDEM,

The purpose of this letter is to provide our quarterly progress report for the Town of St. Paul.

#### **Actions Implemented**

- **CP Item 2 Smoke Testing:** 2nd round of Letters were mailed to 7 properties identifying private side I/I concerns identified through smoke testing in June 2026.
- **CP Item 5 Sewer Televising:** Cost estimate is included in the PER.
- **CP Item 6 Sump Pump Investigations and Town Ordinances:** Town has prepared a new Sewer Use Ordinance with first reading in June 2026 and second reading for approval on July 7, 2026. New ordinance requires sump pump investigations upon transfer of ownership and reporting to the Town.
- **CP Item 7 Gather information and inform IDEM of the decision to either pursue lagoon aeration or regionalization.** - A Regional Meeting was held with Bryan Robbins (Economic Development Corporation of Greensburg/Decatur County) and Mary McCarty (Southeast Indiana Regional Planning Commission) on 6/15/2026. A second meeting was held with the Indiana Economic Development Commission (IDEC, along with Mary and Bryan) on June 26, 2026. Investigation regarding regional service and extent of service area is ongoing.
- **CP Item 8 Lagoons:** No action this past quarter. This will be include as an alternative in the PER.
- **Additional notable efforts:**
  - Overall effluent quality is continuing to trend better.

**Missed Milestones**

There no missed Milestones for this Quarter.

**Summary of Planned Actions**

Town is working with F&V to complete the PER by September 1, 2026, for the project recommendations for CP Item 6,7 and 8.

The Quarter 3, 2026 Progress Report will be submitted by October 10, 2026.

Please contact us with questions. We appreciate your assistance in this matter.

Sincerely,

Joshua Sangl  
St. Paul, Town Council President
