Paving

Dave O'Mara and Co. finished our 2026 CCMG Paving/Overlay Project as well as selected patching in mid-October. We should be getting an invoice and report of water usage this coming week so we can close out the grant

The Paser road rating for 2027 is in progress , It is Due December 1

Street

West Washington should be a designated truck route now that paving is complete. Dorsey Street Between Pearl St and N. County line road should be added to the No Truck Street Ordinance

Salt and sand bins are being rehabbed as of now and are not finished. The town may have to work with a covered sand pile this year.

We have cleared quite a bit of brush and limbs from along our right of ways and parks. The Burn site will be open the same hours as the Dump/Recycle center for Saint Paul residents only

Parks

Decatur County Parks will be removing the tennis net at the South Park any day now.
